@mskathygold @adventuresofkg Let's fact check on your #fakenews:

1. No one has committed a hate crime against you. You, however, have committed multiple crimes.
2. No one has abused you. You, however, have verbally abused and slandered.
3. How will it turn out for you? #jail

Updated 9/7/2018 7:17pm

The whole world is watching Chrissie and her accomplices cause she made mainstream media.

I'm sure, Chrissie and her accomplices think, you're too slow, ha ha, we can delete our tweets, lie and get away with it, ha ha. Nobody will ever know how we abused you, committed hate crimes on you and got away with it cause we just lie.

The entire planet, worldwide, globally is watching. I wonder how it will turn out for Chrissie and her accomplices?

advice is start the process of getting the OT levels from the copyrights office and then get your recon, otherwise, you'll be like, why the fuck didn't I do this first? LMAO. youtu.be/D-PzBOy3dvU

Kathy Gold @adventuresofkg · Sep 9

MUs stands for Misunderstoods, anyway, they were trying to explain it and it was weird, they didn't make sense. I just went wholetrack meaning I remembered my past lives before earth or pre earth, that's what this church is about, past lives. Have fun on your recon my best

Kathy Gold @adventuresofkg · Sep 9

when I was reading Marty Rathbun's blog in 2009/2010 etc etc all the Scientologists coming out with their stories etc etc some where trying to explain implant stations and what implanters were and implants and I got casuse they did the OT levels inside this church but have MUs,

Kathy Gold @adventuresofkg · Sep 9

down the wholetrack there was two US Federation Implant Station Networks, one for the Military and one for civilians. If you go to the copyrights office to get copies of the OT levels, if it's not explained the difference between the two, I'm filling in your gaps here cause

Kathy Gold @adventuresofkg · Sep 9

For all law enforcement and military on my lines, here's a visual of an implant station, an analogy, I have no idea if there is visuals on the OT levels, what's

floating around online is only like 3%, there's 97% missing.

You said primarily, German, British and Italian, is there any more? If so, continue. If you are only German, British and Italian, I don't know what that falls under, what demographic it hits, I think it hits 3 demographics, one for German, one for British and one for Italian.

Kathy, you are 100% the dirt bag. Writing threats to break into the Bixler's house and plant drugs? Have their children taken away? Yeah. Dirt bag. But again, thanks for putting it all in writing in your name. Makes Chrissie's attorney's jobs much easier.

1

Kathy Gold @mskathygold · Sep 7

Great, who are her attorneys? As for the dirtbag comment, fuck you, I'm not gonna accept your abuse, I'm not a dirtbag, you are and well, you're lying again. Thanks for putting your lies in writing.

2

Anne Krzanowski @Anneinma · Sep 7

You'll know soon enough who Chrissie's attorneys are. I can't wait to sit in a courtroom and read all of your threats to a judge and jury. And that's the truth

Why would I need to? I don't believe you and any book company would be crazy to write a book where they will be sued. Why do you feel the need to bring others into the conversation, do you not like to own your behaviour. As a child where you never made to take ownership??

I am lying because I don't hug trees, well unless you follow me how would you truly know. Seems you get angry when you have no basis for what you say? Do you think you get angry a lot? Do you feel you handle your anger in an unhealthy manner??

Chris isn't involved in this conversation and sure he would fully know to write about another person abuse as a minor is illegal in pretty much every country and the basis to sue him would clearly not be in his favour.

Hate Crimes Committed By Chrissie Carnell Bixler Aka Chrissie Bixler Carnell And Her Accomplices

On September 2, 2018, I wrote on my personal blog a post and tweeted Chrissie Bixler.

Prior to that, I did an evaluation of The Danny Masterson Rape Cases and tweeted both Danny Masterson and Chrissie Bixler.

I tweeted Chrissie Bixler and after telling her my story of what happened to me, she then started attacking me, abusing me cause I'm a Scientologist.

She asked me not to tweet her and I said no problem. Then she started tweeting me and encouraging others to attack me and abuse me and harass me cause I'm a Scientologist.

She also took my words including my blog posts out of context and started lying to everybody on twitter and started encouraging others to abuse me and attack me and people jumped in and started abusing me, harassing me cause I'm a Scientologist. These are strangers I don't know, have never met nor have spoken to.

Basically they're all trying to reinforce the pain and trauma of the 2 back to back sexual abuse incidents from 1998 as well as reinforce the pain and trauma of the PTSDs.

That was on 9/4/2018 at around 2:00am, these attacks continued through out the day I got like over 100 attacks between both twitter accounts.

This evening, Chrissie and her accomplices tweeted me that they made false reports to @911LAPD @LAPDHQ

This falls under hate crimes cause of my

If Chrissie Or Any Of Her Accomplices Come Near Me Offline

9/7/2018

I will kill them to defend myself, their intent is to murder me and murder is against the law, premeditated murder is also against the law.

Then I'll call law enforcement to come pick up their dead bodies and I'll use their dead bodies as evidence in my cases, more money for me or cha ching.

And for me to kill people defending myself is not against the law so when their families try to sue for wrongful death, it will be kicked out and they will be counter sued for my time and damages.

Again, the countless krak character, the deadly assassin, assassin's get paid to kill.

This is also not against the law but I'm sure Chrissie and her accomplices will take it out of context in an attempt to do the above some, so this is gonna be fun to kill these religious haters and make money off their dead bodies and their hate. 3 times per count. Oh no, their children LMAO they never put their children first, notice these women never once put their children and their children's safety first, ahead of themselves. Women that do, don't go online attacking and committing crimes on victims. They think about the repercussions it will have on their children. These women could give a fuck, it's all about them, them and them.

They are SPs with no power, just the power to scare people online, hoping by lies and manipulation, somebody offline will murder the people they are terrorizing, so it gives the illusion they have power.

Most likely what's gonna happen is, they will be hunted down from the internet by real evil people and kidnapped, raped, tortured and murdered but nobody will know, they'll disappear, one by one and I don't think local police will give a shit, they'll ignore the case, it won't make the press, nobody will ever know, they'll have just stopped tweeting or deleted their social media and blew.

Since they committed these crimes on me, and tweeted the FBI, the FBI runs the Federal Prisons, there is hardcore criminals that monitor the FBI's twitter, regularly and now Chrissie and her accomplices have come on their radar. If they have been doing this to other victims, which I suspect, I'm not their first victim online, so I suspect, other victims they did this too prior to me, they also tweeted the FBI and they would have pulled in those criminals then.

I'm sure they all figure these women will just blame this religion and Danny Masterson and then everybody will buy it hook line and sinker cause Danny got fired from Netflix cause of an accusation and Newsweek printed her story etc etc. A nice cover for their crimes. Now instead of Lisa's death, there will be a string of them. Act 2 of the Lisa Mpherson case online war between this church and the anti scion community.

In the end, Chrissie and her accomplices will have pulled it in.

If you are a victim of these women and you didn't go to court to enforce laws including putting them in prison to stop the harassment, to stop the abuse etc etc cause there was no attorneys, you don't know how to type up a lawsuit, are very PTSDed out caused by them and uppers and downers ie meds just made your PTSDs worse etc etc and they went off line to terrorize and victimize you but the police did nothing and they physically harmed you or your family or your friends etc etc don't be afraid to kill them to defend yourself, to defend your family, to defend your friends and use their dead bodies as evidence in your case against them.

You can take their families assets to pay for your damages. These women have families and their families have a duty.

1. Children are not prostitutes- they are victimized and trafficked by low life, criminal adults.
2. Children are not ever willing participants in their sexual race or abuse. They are helpless victims with no choice.
Not understanding this makes one a dangerous, ill adult.

Why would I need to? I don't believe you and any book company would be crazy to write a book where they will be sued. Why do you feel the need to bring others into the conversation, do you not like to own your behaviour. As a child where you never made to take ownership??

I am lying because I don't hug trees, well unless you follow me how would you truly know. Seems you get angry when you have no basis for what you say? Do you think you get angry a lot? Do you feel you handle your anger in an unhealthy manner??

Chris isn't involved in this conversation and sure he would fully know to write about another person abuse as a minor is illegal in pretty much every country and the basis to sue him would clearly not be in his favour.

Nope hun never in all the time I've known you have you spoke about it. In truth none of us would have ever known about it if Fetti hadn't started giving you details about it on a thread all those months ago.

No you didn't, you started spouting shit about serenity...I actually have a life unlike you and can't spend all my time on twitter entertaining you.

I agree with you. I am not trying to say he is a monster now but at some point this is the life he wanted for her. Let's just hope she gains the strength to leave or speak out x

She has had her mind moulded since she was born. Mike brought her up in the cult. I do believe mike is not a fully innocent person (not in the case of her mother cause that's all bull) he was way to high up to never had been a dick but I do believe he is trying to make up for it

She has to know the incident from 2010 is lies...she was there. I think she honestly believes her father should be fired for crimes against her church and this is how they try and do it. What a disgusting life to lead 🙄

She is doing as she is told. She born into it, doing as she is told. She is close to her and mum, not doing it means losing her mum forever. We all know it's wrong I am sure part of her knows it's wrong.

Mike said the other day that she probably isn't even writing all this shit or doing all that shit herself ~ it's being done for her. And to remember that she has been raised from a little wee toddler to clear the planet...
